AT MANSFIELD, OHIO, MARCH 31.

Please bring this catalog with you to the sale.

## Announcement

---

THE SHORTHORN BREEDERS OF OHIO HAVE LONG BEEN RECOGNIZED AS PRODUCERS OF TOP SHORTHORNS. Shorthorn history and tradition have been made and retained in Ohio by the efforts of our many able breeders. It is the intent of the members of the Ohio Shorthorn Breeders' Association to make the Ohio Sale one of quality, and this thought is continually stressed when we are selecting cattle for our sales.

It is not the claim of the sale committee that each animal is outstanding, but we can safely say that this sale will be noteworthy by the absence of inferior cattle. Many of our breeders have been conspicuous by their exhibiting of outstanding cattle at national events, and it should be mentioned that wherever good Shorthorns are exposed for sale, one can expect to see some of the Ohio breeders bidding on the top end. In the making the rounds of inspection in January I was elated by the many top-notch sires that have been brought to numerous herds in Ohio, and the "get" of these bulls is truly inspirational to those looking upon them.

We are offering but ten bulls, but we feel it is better to offer fewer bulls but strive to offer the better kind, so we do not hesitate to recommend these bulls as the improving kind. We are particularly proud of the excellent female consignment as they are coming from many of the best herds in the state and our breeders have dug deep to enable us to offer a select group of cattle. Many of these cattle were shown at the State Fair last summer where they gave a good account of themselves. You will find upon study of the tabulations that without fail, they are sired by unusually well-bred bulls and from family lines that have proven their worth over a long period of years.

Many of the cattle are pictured, and we ask that you look at the individuality and then give consideration to the breeding, conformation and color of this beautiful lot of young cattle. We offer bred heifers that will be carrying the services of some of the good bulls of this country, and we offer a very select group of open heifers that are nearing breeding age so you may make your selection to breed to your own good bull. It is our sincere hope that you will attend the show and sale and support these breeders who are carrying the load for Shorthorns in Ohio.

It should be worthy of note that the Ohio Shorthorn Breeders' Association Sale annually has one of the very best averages of any state in the country, and it is through the efforts of our breeders that we will be able to maintain this record.

All the cattle will be shown beginning at 9:00 a. m. so we ask that you come early and enjoy a profitable day with us. The sale will begin at 1:00 p. m. Lunch will be served at the sale barn. If you desire hotel reservations, please advise at an early date.

OHIO SHORTHORN BREEDERS' ASSOCIATION, INC.

## General Information

---

**TIME:** Tuesday, April 1, 1947. Show 9:00 a. m.; Sale 1:00 p. m.

**LOCATION:** The Show and Sale will be held at the Ohio State Fair Grounds, Junior Fair Building, enter either from Seventeenth Avenue or Eleventh Avenue.

**TERMS:** Terms of the sale are cash unless other arrangements are made with the consignor from whom the cattle are purchased before the sale commences and the sale manager is notified of the arrangements. Buyers who are not known to the sale manager will bring bank reference. Settlements are to be made with the clerk of the sale immediately after the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading on cars and trucks in compliance with instructions from the purchasers.

**GUARANTEE:** Every animal sold is a guaranteed breeder, but the consignor reserves the right to try said animal for six months after being returned to consignor's farm at the expense of purchaser, and if animal proves barren after six months' trial, purchase price or animal of equal value will be offered to replace the original purchase. Every animal has been tested for T. B. and Bang's Disease within 30 days of sale date, and health certificates will be furnished for inter-state shipment.

A certificate of registry and signed transfer will be furnished for each lot sold. Where footnotes appear in this catalog, they were furnished by the consignor or written from information supplied by the consignor.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of those present.

**MAIL BIDS:** Bids may be sent to Clinton K. Tomson, Sec'y., American Shorthorn Breeders' Association; Dan Cox, American Shorthorn Breeders' Association; Hal Longley, The Shorthorn World; Ed Huff, The Shorthorn World; Bud Snidow, The Eastern Breeder; Col. C. M. Hess, Ohio Livestock Journal; J. E. Halsey; or to the Sale Manager. Send in care of The Neil House, Columbus, Ohio.

Lunch served on grounds.

**AUCTIONEER:** J. E. Halsey, Des Moines, Iowa.

**SALE MANAGER:** J. B. McCorkle, Suite 3710 A. I. U. Bldg., Columbus, 15, Ohio.

## ED Huff, The Shorthorn World

Recognizing the importance of starting with the right kind, nothing has been overlooked in the breeders' efforts to present consignments that will reflect in the records of new owners' herds for years to come. This offering of 10 prospective herd sires and 41 superb young females is made up of the modern, typey kind that will fit into any herd and achieve outstanding results. Every animal consigned was inspected by a competent committee for excellence of pedigree and individuality. Pictures in the catalog are typical examples of the quality of the offering. Remember! Blood of the breed's most potent sires, many of which are young bulls now in service in Ohio herds, will be represented.

ED HUFF, The Shorthorn World

## Free Freight Offer

The American Shorthorn Breeders' Association, Chicago 9, Illinois, will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this sale to one destination, up to a maximum of \$200.00 for freight charges exclusive of cost of feed or incidentals. Shipment may be made only by rail and must be consigned to a point more than 300 miles from sale location.

Thos. E. Wilson

This good son of Edellyn Supreme Mercury has for his dam one of the choicest daughters of Calrossie Prince Peter. A full brother of his dam, Rothes Prince, was retained for service in the Miles of View herd and later proved a great sire in the Stunkel herd in Kansas. The granddam by Calrossie Lord Rothes is one of the good cows of the breed. With three crosses of Calrossie breeding at the top of the pedigree this grandson of two Perth Champions ought to make a sire. We retained this bull for limited service but with three other bulls in service and many of his half sisters in the herd we feel he should go where he will have more opportunity.

This bull stands on short legs with good depth of body. His sire, Broadhooks Leader, an International Congress first prize winner, sired the Grand Champion bull, the Champion pair, the first prize "get-of-sire", the first prize pair of bulls, and the first and second prize pair of calves at the 1946 Ohio State Fair. Roan Pat was top-selling bull in the 1938 International Sale, and his females in our herd are "nicking" well with Broadhooks Leader.

MERCURY'S ADVANCE

This is a dark roan bull, perhaps a little young to sell to best advantage, but he is sired by Edellyn Maestro Mercury. This bull sold for \$2,500, going to Fred Lee, and he was sired by Calrossie Mercury. The dam of this bull is sired by a Perth Champion, and the granddam is an imported Wimple cow from the A. J. Marshall herd. Here is a beautiful concentration in top-flight breeding with the great Calrossie name being very dominant.

First, we ask that you have a look at the picture above this tabulation. We feel very proud that we can offer you bulls of the individuality that we have in this animal. Of course he comes by these characteristics honestly, and he is sired by the nationally popular Edellyn Royal Leader 10th, and he was the choice of the 1943 calf crop at the Edellyn Farms. The University's pride in ownership of this good bull has been justified in that his first daughter won her class at the Ohio State Fair, stood second in class at the International to the Junior champion and sold through the Congress Sale for \$2,700. The dam of this bull is sired by Milky Way Prince, a bull that I have often said has the best head of any bull I have ever seen. We would like to also call to your attention the great amount of dark blood back of this bull. We know that his type will suit you so we ask those in search of a top-flight bull to give this animal consideration.

We have always had an unusually good consignment from the Watt Acres Farm at our state Sales as it is generally accepted as one of the good herds in this part of the country. Their Watt Acres Prince has been an outstanding sire of both bulls and females. This sale bull is a full brother to Watt Acres Templar which was the reserve champion bull in the Ohio State Sale in January, 1945. You will note that the dam of this sale bull is sired by Larbert Templar and all of the cattle on the dam's side came through the good Canadian breeders.

This heifer was a member of the first prize "get-of-sire" and second prize pair of calves at the 1946 Ohio State Fair. Her sire, Broadhooks Leader, was an International Congress first prize winner. Broadhooks Maid is also the granddam of Broadhooks Maid 20th, the 1946 International grand champion female. Woodshade Claret has been a good producer for us, and we feel sure this heifer will do the same for her purchaser.

We can recommend this heifer to any breeder as she is absolutely one of the grandest red heifers to be exposed for sale anywhere. She was not nominated for this sale, but when the committee visited the Graham Farm, they really fell in love with this animal, and after the completion of the trip, we called Dave Graham and asked him to put her in so we can recommend her as near ideal. Of course, her breeding speaks for itself. She is a grand-daughter of Edellyn Royal Leader, with her sire coming from a dam sired by Calrossie Mercury. We find that the dam comes from the Marshall Cruggleton Perfect bull, and the granddam is by Calrossie Graduate by Calrossie Control. The next dam is by Bridgeband Rosedene, by Collynie Royal Leader and the next dam is also by Collynie Royal Leader so we have a wonderful combination in individuality and blood lines. Vaccinated for Bang's and open.

A grand little heifer—a bit young to be sold at this time, but perhaps she will be one of the bargains of the sale. We see she is the granddaughter of Edellyn Royal Leader with Calrossie Mercury showing in the second line. We have a lot of good bulls on the dam's side, such as Collynie Royal Barrage, Lawton President Roosevelt and Calrossie Randolph. All of these bulls are internationally known. This is another beautiful daughter of Edellyn Royal Leader 6th. She is vaccinated for Barg's and sells open.

Again we offer you a nice red heifer—a bit on the young side, but, no doubt, the kind that will turn a quick profit for the buyer. The top line comes through the good bulls that Edellyn Farms have imported that have created the new dynasty. We see that the dam comes through the very dependable Roan Lady family, and this breeding goes back to the old cow by Collynie Golden Dream, once owned by T. Dorsey Jones. There is the best Browndale breeding on the dam's side. Vaccinated for Band's and open.

We have a wonderful combination in this animal that has shown unusually well through our Congress Shows and Sales. This will be the first offering sired by Beathton Favorite, and he one of the more popular bulls and high-selling bulls in the 1944 Congress Sale. He goes back to Collynie Royal Barrage and Roland Clipper. The dam of this heifer stood second at the Congress in 1944 and we see that she is sired by Klaymor Diamond, the Roy Johnson bull that has done so well as a sire of good bulls and females. As an added attraction, this heifer will sell served to Edellyn Royal Leader 10th, he owned by The Ohio State University, and, no doubt, one of the most outstanding sons of Edellyn Royal Leader as emphasized by the show and sale record of his "get" at the recent Congress event.

When the sale committee saw this heifer, they were gratified that Dr. House would part with a heifer of her quality, type and conformation. She is sired by the bull that Dr. House bought at the Congress in 1944 and a bull that, by the way, is siring without fail about as short legged group of calves as one would expect to see. The dam is sired by Commander Captain by Browndale Commander, and the dam was one of the top individuals and one of the high-selling heifers in our 1945 State Sale. She is of a type that one could point toward the future shows. She is open.

Another very typy daughter of Beathton Favorite, and she comes by this unusual type honestly as her sire is one of the good type bulls in this country. We find the dam comes from the Sempstress family that has done so much in the Tudor Brothers herd of Columbus Grove. The dam is sired by Browndale Stamp, and he by the great improver, Browndale Commander. The Sempstress family has always produced show ring winners in the Tudor Brothers herd. She sells open.

Another granddaughter of Klaymor Diamond, the wonderful breeding bull owned by Roy Johnson and bred by W. J. Russell. We find that the dam is sired by a Jim Douglas bull, and he sired by Cruggleton Bugler, an A. J. Marshall bull. We see that the second dam is sired by Brookside Guardsman. Here will be an opportunity to buy a Duchess of Gloster. Sells open.

This heifer comes from the Rosewood family, and she is another daughter of Millbrook Marksman, and he a son of Klaymor Diamond. The second dam is sired by Browndale Touchstone, a Dorsey Jones bull. The dam's bull line goes back through Browndale Villager and Reveni Masterpiece. We find a great concentration of the Cloverleaf breeding on the dam's side.

**Milky Way Prince**—sire, Mount Nimrod 1713122 by Calrossie Sanctuary 1713111, out of Lavender Lea 1713158. Dam, 70th Duchess of Gloster 1693965 by Browndale Captain 1580513, out of 68th Duchess of Gloster 1354253.

**Royeln Villager**—sire, Cornerstone Model 1464307 by Sni-A-Bar Cornerstone 1353821, out of Sni-A-Bar Victoria 1333853. Dam, Parkdale Augusta 5th 1077820 by Villager's Warrior 648,505, out of Parkdale Augusta 4th 512694.

**Cornerstone Model**—sire, Sni-A-Bar Cornerstone 1333821 by Prentice 1005345, out of Sultant Favour 674840. Dam, Sni-A-Bar Victoria 1333853 by Supreme Model 814037, out of Sni-A-Bar Rose 1087594.

Here we have a beautifully bred Duchess of Gloster cow. She is sired by the wonderful headed Milky Way Prince. She has a red bull calf at foot that was dropped July 28, sired by Reliable Stamp, and he sired by Brawith Boy of Hawthorn from a dam sired by Browndale Stamp. This cow was re-bred on September 11 to the same bull so sometime around the twentieth of June you can expect another calf. It will be a great three-in-one combination and a beautiful pedigree to go with it.

A good red daughter of Goldspur's Stamp by the Tudor Brothers' Browndale Stamp with the dam being sired by a bull that in turn was sired by Rodney's Mirabeau owned by Chester Branson. This heifer has been exposed in pasture since the last week in April, 1946, to Reliable Stamp, he a red bull sired by Brawith Boy of Hawthorn and he going back to Brawith Boy. He comes from a dam sired by Browndale Stamp. We saw a group of calves sired by Reliable Stamp, and each was red and showed very good type.

This is another grand red heifer sired by Rufus Mandate. It will be remembered that this bull sired the grand champion female of our 1946 State Sale. It also topped the sale going to a good herd sire in Pennsylvania. The imported Millhills Rufus is the grandsire. We see that the lower side comes through the Jilt line of females with Browndale Excelsior and Wilkinholm Gauntlet in the third generation. She will sell served to Divide Rocket. This bull was purchased in the 1945 Congress Sale from the Allen Cattle Company. This should make an attractive offering. Herd accredited for T. B. and Bang's.

This cow is out of Maxwalton Lavender 17th, one of the best producing cows of the breed. She is coming fourteen years old and has produced a good calf annually since a two year old. In her prime she milked seven gallons daily. Marada Farm, Lexington, Ohio, founded their herd upon two of her daughters and one granddaughter, while a number of other herds have been improved by her progeny. This sale animal is bred to be a good brood cow and sells open but guaranteed to be a breeder. Vaccinated for Bang's.

This is a very thick, well-conditioned heifer coming from the Clipper family. She is sired by Commander Robin, a bull that is leaving many good cattle in the Stangel herd. He is by Browndale Commander back to Browndale Captain. She won her class at the 1946 Ohio State Fair, and she sells served on December 16 to Golden Oak Prince Peter. This bull was purchased in the 1945 Congress Sale and is by the Prince Peter bull that has done such a sensational job in the Caraway herd in Texas.

This red heifer is sired by a son of Commander Robin, a bull that has done so well in the Stangel herd. We also see that this heifer is a double bred Commander Robin and Browndale Commander. The Clipper family has done a lot of good in the Stangel herd. This heifer sells served on November 27 to Golden Oak Prince Peter, and he a red bull sired by the Caraway Prince Peter bull that has made a very enviable record as a sire of show ring winners and high-selling cattle throughout this nation.

Again we offer you a beautifully bred Victoria heifer. Her sire is Browndale Stamp, the bull that has had ten years service in the Tudor Brothers herd, and he was Junior champion bull of the 1938 Ohio State Fair. He is one of the first sons of Browndale Commander. This line of breeding has done a great lot of good in improving the type of cattle and whenever they are exposed for sale, we find cattlemen bidding on them readily. The dam comes through Edellyn and Roy Johnson breeding. Again we call your attention to the great amount of dark cattle in this tabulation. This heifer will probably be served to one of the very top sons of Royal Rothes, the Perth supreme champion bull. Vaccinated for Bang's.

**EDELLYN ROYAL LEADER**

No doubt, you will have very few opportunities to buy a daughter of Browndale Stamp in the future as he is now ten years old and, naturally, cannot have much longer service. Everyone is familiar with his tabulation and with the kind of cattle he sires. This sale heifer is one of the same general pattern we have come to expect from the Tudor herd. The dam is sired by Bridgebank Bertram, the A. J. Marshall bull. She will probably sell served to the good son of Royal Rothes that Tudor Brothers are using. I can say that the Tudor Brothers' Rothes bull has a beautiful set of calves on the ground as witnessed by the sale committee in January. Vaccinated for Bang's.

Another better than average daughter of Watt Acres Prince, and a heifer that should add materially to the average of our sale. We see Browndale Conqueror and Browndale Pilot on the top side of this tabulation and see that the dam is sired by Klaymor Elector by the great Collynie Royal Barrage. Again we offer you a heifer from a well-bred Canadian cow.

Lot 51

SHORTHORN STEERS made a clean sweep of the **GRAND AND RESERVE GRAND CHAMPIONSHIPS** over 1,425 head of all breeds at the 1946 Chicago International Livestock Show. They went on to win the champion three-steer and get-of-sire groups over all breeds for the first time in the 47-year history of the International, when one breed monopolized single and group championships. The Grand Champion later sold at a new all-time record for the Chicago International of \$10.50 a lb. to total \$14,490 to the Firestone Tire and Rubber Co., Akron, Ohio. He immediately began a 22,000 mile educational tour of the country in a \$12,000 specially constructed trailer. Watch for notice of these exhibitions in your territory. (The Shorthorn steer,

Tomahawk, was Grand Champion of the 1945 Chicago Fat Stock Show and set the then International record of \$10 a lb.)

Shown above (left) is the Grand Champion, **ROYAL JUPITER**; (right) the Reserve Grand Champion, **WYOMING CHALLENGER STANDARD**; and (below), the winning three-steer group including the reserve grand champion.

These steers demonstrate the well-established Shorthorn profit characteristics combining greater weight with modern type and choice quality conformation. The Grand Champion steer weighed 1,380 lbs. at 22 months of age. *Extra pounds produce extra profits. REMEMBER—Shorthorns, Best in Every WEIGH!*

## Fastest Growing Membership

1942	1943	1944	1945	1946	5-Year Total
1,335	1,829	1,757	1,910	2,096	8,962

The all-time high of 2,096 members joining the American Shorthorn Breeders' Association in 1946, followed by the all-time 5-year record for any beef breed of 8,962, now puts the Shorthorn Breeders' Association in the lead as the fastest growing beef breed association. In 10 years, annual registrations have

doubled and transfers have jumped 144 percent. Save 50% in recording and transfer fees by joining America's most popular beef-milk breed association. For complete information write to American Shorthorn Breeders Association, Dept. SC-2, Union Stock Yards, Chicago 9, Ill.

Madison Press Co., London, O.
